

- Pros: I'm officially the mysterious new kid who only shows up five days a week.

Tatty says summer is "Registration Season," which is Soviet-speak for "FIND EVERY KID AND STUFF HIM INTO THE HERESY FACTORY."

Here are more problematic characters:

- Em dash: --
- En dash: -
- Curly quotes: "Hello" and 'world'
- Ellipsis: ...
- Bullet variants: * o * * *
- Math symbols: <= >= != +/- x /
- Arrows: -> <- ^ v
- Degrees: 90 deg
- Trademark: (TM) (R) (C)

This should test both the character replacement and fallback systems.
